

# Porsche 911 SC 3.0

1983

## Highlights

- ✓ Matching Numbers
- ✓ Porsche Classic Expertise
- ✓ Appraisal grade 2+
- ✓ Original cheque book

We are delighted to present this beautiful Porsche 911 3.0 SC Cabriolet. With its air-cooled 3.0-litre six-cylinder engine, the 911 SC delivers around 204 hp and offers an unadulterated driving experience – direct, purist and absolutely timeless in its open-top version as a convertible.

This SC, which originally comes from the USA, is in very good condition, both visually and technically, as evidenced not least by the recently compiled Porsche Classic Expertise. The vehicle is also “Matching Numbers” and has been freshly reconditioned by us. This classic Porsche wants to be driven – and may well be your perfect companion for your next outing!

### Details:

This Indian red SC convertible was delivered on 31 May 1983 in the USA (Washington). The original cheque book with the delivery dates and dealer stamps is still present. Also the US Certificate of Title. The SC has already been completely converted to EU specifications, including the speedometer data in kilometres.

The current owner acquired the vehicle in 2017 and the SC has been serviced and maintained ever since. In recent years, the convertible has been a faithful companion on many pleasure trips, mainly in southern Germany.

The technical certificate from Porsche Classic from April 2025 certifies that the vehicle still has the original units (engine and transmission) installed, and that all assemblies and parts (drive system / underbody, engine compartment, fluids, interior and exterior, etc.) have been checked for function and condition and found to be in good condition. In addition, the vehicle was recently completely refurbished visually.

The convertible invites you to drive off straight away – ideal for wonderful sunny days and balmy summer nights. Come and see this timelessly beautiful and tasteful classic for yourself!

Viewings and test drives are of course possible at any time by prior appointment. The vehicle is being sold privately by us on behalf of a customer. Subject to errors and prior sale.

### Customised equipment:

- M 018 3-spoke steering wheel with raised hub

69.000 €

Price (VAT not deductible)

Viewings and test drives are possible at any time by appointment.
